

§ 52a.2

42 CFR Ch. I (10–1–11 Edition)

(14) Child health research centers, as authorized by section 452C of the Act (42 U.S.C. 285g–7);

(15) Fragile X research centers, as authorized by 452E of the Act (42 U.S.C. 285g–9);

(16) Multipurpose deafness and other communication disorders centers, as authorized by section 464C of the Act (42 U.S.C. 285m–3);

(17) National drug abuse research centers, as authorized by section 464N of the Act (42 U.S.C. 285o–2);

(18) Centers of excellence in biomedical and behavioral research training for individuals who are members of minority health disparity populations or other health disparity populations, as authorized by section 485F of the Act (42 U.S.C. 287c–32); and

(19) Centers for acquired immunodeficiency syndrome (AIDS) research, as authorized by section 2316 of the Act (42 U.S.C. 300cc–16).

(b) This part does not apply to:

(1) Grants for construction (see 42 CFR part 52b), except as noted in paragraph (a) of this section;

(2) Grants covered by 42 CFR part 52 (grants for research projects); or

(3) Grants for general research support under section 301(a)(3) of the Act (42 U.S.C. 241(a)(3)).

(c) This part also applies to cooperative agreements made to support the centers specified in paragraph (a) of this section. When a reference is made in this part to “grants,” the reference shall include “cooperative agreements.”

[61 FR 55108, Oct. 24, 1996, as amended at 68 FR 69621, Dec. 15, 2003]

§ 52a.2 Definitions.

As used in this part:

Act means the Public Health Services Act, as amended (42 U.S.C. 201 *et seq.*).

Center means:

(a) For purposes of grants authorized by section 409C of the Act, a public or nonprofit private entity which provides for planning and conducting basic and clinical research into the cause, diagnosis, early detection, prevention, control, and treatment of autism, including the fields of developmental neurobiology, genetics, and psychopharmacology;

(b) For purposes of grants authorized by section 414 of the Act, an agency or institution which provides for planning and conducting basic and clinical research into, training in, and demonstration of advanced diagnostic, control, prevention and treatment methods for cancer;

(c) For purposes of grants authorized by section 417 of the Act, an agency or institution which provides for planning and conducting basic, clinical, epidemiological, psychological, prevention and treatment research and related activities on breast cancer;

(d) For purposes of grants authorized by section 417A of the Act, an agency or institution which provides for planning and conducting basic, clinical, and epidemiological, psychosocial, prevention and control, treatment, research, and related activities on prostate cancer;

(e) For purposes of grants authorized by section 422 of the Act, an agency or institution which provides for planning and basic and clinical research into, training in, and demonstration of, management of blood resources and advanced diagnostic, prevention, and treatment methods (including emergency services) for heart, blood vessel, lung, or blood diseases including sickle cell anemia;

(f) For purposes of grants authorized by section 431 of the Act, a single institution or a consortium of cooperating institutions, which conducts research, training, information programs, epidemiological studies, data collection activities and development of model programs in diabetes mellitus and related endocrine and metabolic diseases;

(g) For purposes of grants authorized by section 434 of the Act, a single institution or a consortium of cooperating institutions which conducts basic and clinical research, training, and information programs in nutritional disorders, including obesity;

(h) For purposes of grants authorized by section 441 of the Act, a facility which conducts basic and clinical research into arthritis and musculoskeletal diseases; and orthopedic procedures, training, and information programs for the health community and the general public;

(i) For purposes of grants authorized by section 445 of the Act, a public or private nonprofit entity (including university medical centers) which conducts basic and clinical research (including multidisciplinary research) into, training in, and demonstration of advanced diagnostic, prevention, and treatment methods for Alzheimer's disease;

(j) For purposes of grants authorized by section 445A of the Act, a single public or private nonprofit institution or entity or a consortium of cooperating institutions or entities which conducts research into the aging processes and into the diagnosis and treatment of diseases, disorders, and complications related to aging, including menopause, which research includes research on such treatments, and on medical devices and other medical interventions regarding such diseases, disorders, and complications, that can assist individuals in avoiding institutionalization and prolonged hospitalization and in otherwise increasing the independence of the individuals.

(k) For the purposes of section 445I of the Act, a single institution or consortium of cooperating institutions which conducts basic and clinical research on Alzheimer's disease.

(l) For purposes of grants authorized by section 447 of the Act, a single institution or consortium of cooperating institutions which conducts basic and clinical research on chronic fatigue syndrome;

(m) For purposes of grants authorized by section 452A of the Act, a single institution or consortium of cooperating institutions which conducts clinical and other applied research, training programs, continuing education programs, and information programs with respect to methods of contraception, and infertility;

(n) For purposes of grants authorized by section 452C of the Act, an agency or institution which conducts research with respect to child health, and gives priority to the expeditious transfer of advances from basic science to clinical applications and improving the care of infants and children;

(o) For purposes of grants authorized by section 452E of the Act, a single in-

stitution or a consortium of cooperating institutions which conducts research for the purposes of improving the diagnosis and treatment of, and finding the cure for, fragile X;

(p) For purposes of grants authorized by section 464C of the Act, a single institution or a consortium of cooperating institutions which conducts basic and clinical research into, training in, information and continuing education programs for the health community and the general public about, and demonstration of, advanced diagnostic, prevention, and treatment methods for disorders of hearing and other communication processes and complications resulting from these disorders;

(q) For purposes of grants authorized by section 464N of the Act, institutions designated as National Drug Abuse Research Centers for interdisciplinary research relating to drug abuse and other biomedical, behavioral, and social issues related to drug abuse;

(r) For purposes of grants authorized by section 485F of the Act, a biomedical or behavioral research institution or consortia that:

(1) Have a significant number of members of minority health disparity populations or other health disparity populations enrolled as students in the institution (including individuals accepted for enrollment in the institution);

(2) Have been effective in assisting such students of the institution to complete the program of education or training and receive the degree involved;

(3) Have made significant efforts to recruit minority students to enroll in and graduate from the institution, which may include providing means-tested scholarships and other financial assistance as appropriate; and

(4) Have made significant recruitment efforts to increase the number of minority or other members of health disparity populations serving in faculty or administrative positions at the institution; or

(s) For the purposes of grants authorized in section 2316 of the Act, an entity for basic and clinical research into, and training in, advanced diagnostic, prevention, and treatment methods for

§ 52a.3

acquired immunodeficiency syndrome (AIDS).

Director means the Director of NIH or the organizational component authorized to award grants to support centers under this part.

Grant(s) means, unless the context otherwise requires, an award of funds to support a center authorized under § 52a.1. The term includes cooperative agreement(s).

NIH means the National Institutes of Health and its organizational components that award grants.

Nonprofit as applied to any agency or institution means an agency or institution which is a corporation or an association, no part of the net earnings of which inures or may lawfully inure to the benefit of any private shareholder or individual.

Project period means the period of time, from one to five years, specified in the notice of grant award that the NIH or the awarding component intends to support a proposed center without requiring the center to compete for funds.

[57 FR 61006, Dec. 23, 1992, as amended at 61 FR 55108, Oct. 24, 1996; 68 FR 69621, Dec. 15, 2003]

§ 52a.3 Who is eligible to apply?

(a) Any public or private nonprofit agency, institution, or consortium of agencies is eligible to apply for a grant under sections 409C, 414, 417, 417A, 422, 445, 445A, 445I, 447, 452A, and 2316 of the Act.

(b) Any public or private nonprofit or for-profit agency, institution, or consortium of agencies is eligible to apply for a grant under sections 428, 431, 434, 441, 452C, 452E, 464C, 464J, 464N, and 485F of the Act.

(c) Any applicant under this part must be located in a State, the District of Columbia, Puerto Rico, the Virgin Islands, the Canal Zone, Guam, American Samoa, or the successor States of the Trust Territory of the Pacific Islands (the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau).

[57 FR 61006, Dec. 23, 1992, as amended at 61 FR 55109, Oct. 24, 1996; 68 FR 69622, Dec. 15, 2003]

42 CFR Ch. I (10–1–11 Edition)

§ 52a.4 What information must each application contain?

Each application under this part must include detailed information as to the following:

(a) The personnel, facilities, and other resources available to the applicant with which to initiate and maintain the proposed center grants program;

(b) Any research, training, demonstration, or information dissemination activities in which the applicant is currently engaged; the sources of funding for these activities; and the relevance of these activities to the proposed center grants program;

(c) Proposed research, training, demonstration, and information dissemination activities;

(d) The proposed organizational structure of the center and the relationship of the proposed center to the applicant organization(s);

(e) The names and qualifications of the center director and key staff members who would be responsible for conducting the proposed activities;

(f) Proposed methods for monitoring and evaluating individual activities and the overall center program;

(g) Proposed methods for coordinating the center's activities, where appropriate, with similar efforts by other public and private organizations;

(h) The availability of any community resources necessary to carry out proposed activities; and

(i) Efforts to be made to generate and collect income from sources other than NIH to be used to further the purposes of the center program. NIH encourages these efforts. Income may include, but is not limited to, that generated from the sale or rental of products or services produced by grant-supported activities, such as laboratory tests, computer time, and payments received from patients or third parties, where appropriate (the disposition of grant-related income is governed by 45 CFR 74.40 through 74.47 and 45 CFR 92.25);

(j) The proposed budget for the center and a justification for the amount of the grant funds requested; and
